SECRETARY GENERAL OPENS RIYAN AIRPORT AT MUKALLA

ADEN, May 3 - ANA - Comrade Ali Nasser Mohammad, CC Secretary General and Chairman of the Presidium of the Supreme People's Council and Premier, opened this morning the new Riyan international airport at Mukalla in Hadhramaut Governorate. During the huge mass rally held to mark the opening of the airport, Brother Abdullah Mohammad Aziz, CC Member and Minister of Communications delivered a speech in which he pointed to the importance of this airport in facilitating services from which travellers used to suffer from them in the past. He said that it is a new gain to be added to the other gains accomplished by the revolution during the years of the five-year plan. He highly valued the efforts made by the executive sources of the project and also the local authority in the governorate for accomplishing it.

However, Brother Mohammad Ali Bashamakh, CC member-designate and Chairman of the Executive Bureau of the Local People's Council and Governor of the Governorate delivered a speech at the beginning of the rally in which he pointed to the economic and social importance represented by this project in the governorate and also in the course of economic and social development of our country and in the directions approved by the extraordinary general congress of the party. He said in his speech that during the next few days work will be resumed to complete Khalf port project in addition to a number of other lively projects in different fields.

Comrade Ali Nasser then distributed the meritorious prizes to the companies which shared in the implementation of the project and inspected the different sections of the airport and listened to a comprehensive explanation from the officials in the airport.

It is worth mentioning that the new Riyan international airport is regarded as one of the most important accomplishments carried out in the governorate of Hadhramaut. Work on this project started in December, 1979 and its costs amounted to ten and a half million dinars, $5\frac{1}{2}$ million of which was financed by the government and the five million as a loan from the Kuwaiti Development Fund. It was carried out by the Indian Company for Construction of airports. The airport building is composed of a ground floor covering reception departure and honours lounges, a building for employees, while the second storey holds the offices of the immigration, customs and ALYEMDA, and the airport tower which is composed of four storeys.
